

Sending a huge thank you to our members who volunteered to do the garden maintenance, a.k.a. weeding, pruning and much needed watering, at the Alex Community Food Centre (CFC) on a beautiful sunny (and unseasonably hot) day, Monday, August 28!

This was our second event at The Alex as we were unable to finish the whole yard our first time out July 31. Many thanks go to Jennie, Rose, Mike, Allan, Pat, Judy, Michael, Susan and Sarah. Thanks to Leanne, the Garden Coordinator at The Alex CFC for showing us around. The weeds weren't as plentiful as in July, so this dedicated and enthusiastic group attacked the thistle, quack grass and creeping bellflower with gusto! The Alex CFC treated us to a delicious lunch after the morning coolness evaporated and it became too hot to work for much longer.

We are hoping to have another day at The Alex CFC towards the end of September, so be on the lookout for that Evite. Leanne has some projects in mind as we completed most of the weeding on Monday. The gardens look so much tidier now!

If you are interested in other volunteer opportunities at The Alex, feel free to contact their volunteer coordinator directly:
