

Hi Rose and Denise,

We recently completed our impact reports from 2022, and I wanted to share with you the great year we had last year, as well as thank you and the rest of the Oiltimers for the part you played in it.

Our Donation Centre team still talks about your group and how much they enjoyed having you in to volunteer alongside them, likely in no small part due to the delicious pizza we all shared in, but also because of the great enthusiasm and interest your group took in what we do.

I hope you would not mind sharing the below link with the rest of the Oiltimers, as well as pass on a big thank you from all of us at the Women In Need Society.

Thank you once again, and I hope we'll see you again soon!

Kevan
